Dear Mr. Osler,-

I think you would like to know that the Osler Papers have now been catalogued in this Library and have been placed for safe-keeping in a vault. Under these conditions, their presence here will be known through the Catalogue and they will be available for consultation by responsible persons on application to my office, while they will be protected against theft, loss or destruction.

On behalf of the Library Committee of the College, I wish to express our thanks to you, and our appreciation of the compliment you pay us in placing these Papers in our care.

Yours sincerely,

(Sgd) S. M. Adams,

Librarian.

In letter to Mrs. F.R. Wilkinson, 19. IV. 51. W.W.H.
Sent in # 35-93.

P.S. Did you tell me that it is proposed to deprive Trinity of the 5 vols. of Osler Family papers and deposit them here? I should welcome them, of course, and was never convinced that Trinity was the place for them. I thought, and still think, that they should have gone to the Tor. Public Library, as both E. B. O. and W. O. suggested, the latter in 1914 when he knew his own collection was coming to McGill. The "Note" in the printed "Index", 1914, also suggests "One of the public libraries, preferably that of Toronto." When I found that the T. P. L. did not even have a copy of that "Index", I sent them a spare one. I wonder if there is anywhere a cache of the "Index". It might well be distributed to libraries throughout the country.

N.B. The title in the pr. catal. is taken from the lettering on the back of the vols., but the unbound copies have a paper wrapper with title worded: "Osler Family Papers and Letters. Index". W.W.H.

We are trying to find the exact location of the Osler Family Papers. The Index to the papers was published in 1914 and the papers were sent out to Toronto from Oxford. We have a note to the effect that in May 1941 the papers were permanently deposited by Mr. Gordon Osler of Toronto in the Library of Trinity College, University of Toronto. We have furter correspondence stating that the papers were removed from Trinity College and were in the care of Mrs. Britton Osler, 67 Binscarth Road, Toronto. A letter from Mrs. Osler to Dr. Penfield, our Honorary Librarian suggested that she was going to deposit the papers with the Toronto Public Library, as had been originally suggested by the Osler family at the time of the publication of the Index. Mrs. Britton Osler has since passed away and we do not know at this date where the papers are. Dr. Bates has had some correspondence with Mr. Gordon Osler of Toronto and may be able to throw some light on the present location of the papers. I believe that Mr. Philip Osler has also been consulted.

(Typewritten) (To Hon. Featherston Osler)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

September 3, 1914.

Dear Fen:

I have at last got the family papers together and put them in order, and they are at the binders'. They form a very interesting series:

I. Letters of Grandfather to Father; one letter of Grandmother's; letters of Henry Bath Sr. to Father and Mother; and some business ship-bills, &c., between Father and Mr. Bath.

II. The letters of Father, most of which, with many other family papers, I got at Aunt Lizzie's.

III. The ecclesiastical documents, which you sent over.

IV. Mother's letters.

V. A most interesting group of Uncle Edward's letters.

VI. A miscellaneous group of Uncle Henry's, Edward Lake's, Proctor's and others.

It will make a collection of family documents of increasing interest and value as the years pass by. They should be kept in the safe under the care of yourself and Edmund, then should pass to the care of Hal and Gordon; after which, it would be better, as Edmund suggests, to deposit them in the Public Library.

E. B. seems much better. Grace and Revere returned by the same steamer. The whole country is ablaze here, and hoping for the best.

I hope Philip will return, as there is no reason why he should not, and it would be a pity to interrupt the splendid progress he is making.

Love to the family,

Affectionately yours,

Wm Osler.

OSLER FAMILY PAPERS

LETTERS OF MARY OSLER

LETTERS OF EDWARD OSLER, SR.

LETTERS OF HENRY BATH, SR.

BUSINESS PAPERS OF EDWARD OSLER, SR.
AND HENRY BATH, SR.

NOTE

The letters of grandfather and grandmother and the early letters of father and of mother, and many of the other papers, came from the Brook Street house, Falmouth, which was occupied by aunt Lizzie.

The volumes are to be kept in a fire-proof safe and are in the custody of Mr. Justice Osler and Sir Edmund Osler. After their death they pass to the care of Henry Smith Osler and Gordon Osler. Subsequently, to ensure safe keeping, and that all members of the family could have access to them, the volumes should go to one of the public Libraries, preferably that of Toronto.
